PONTIAC SENIOR HIGH SCHOOL

Editor in chief Elaine Jolly Business Manager Joyce Betts

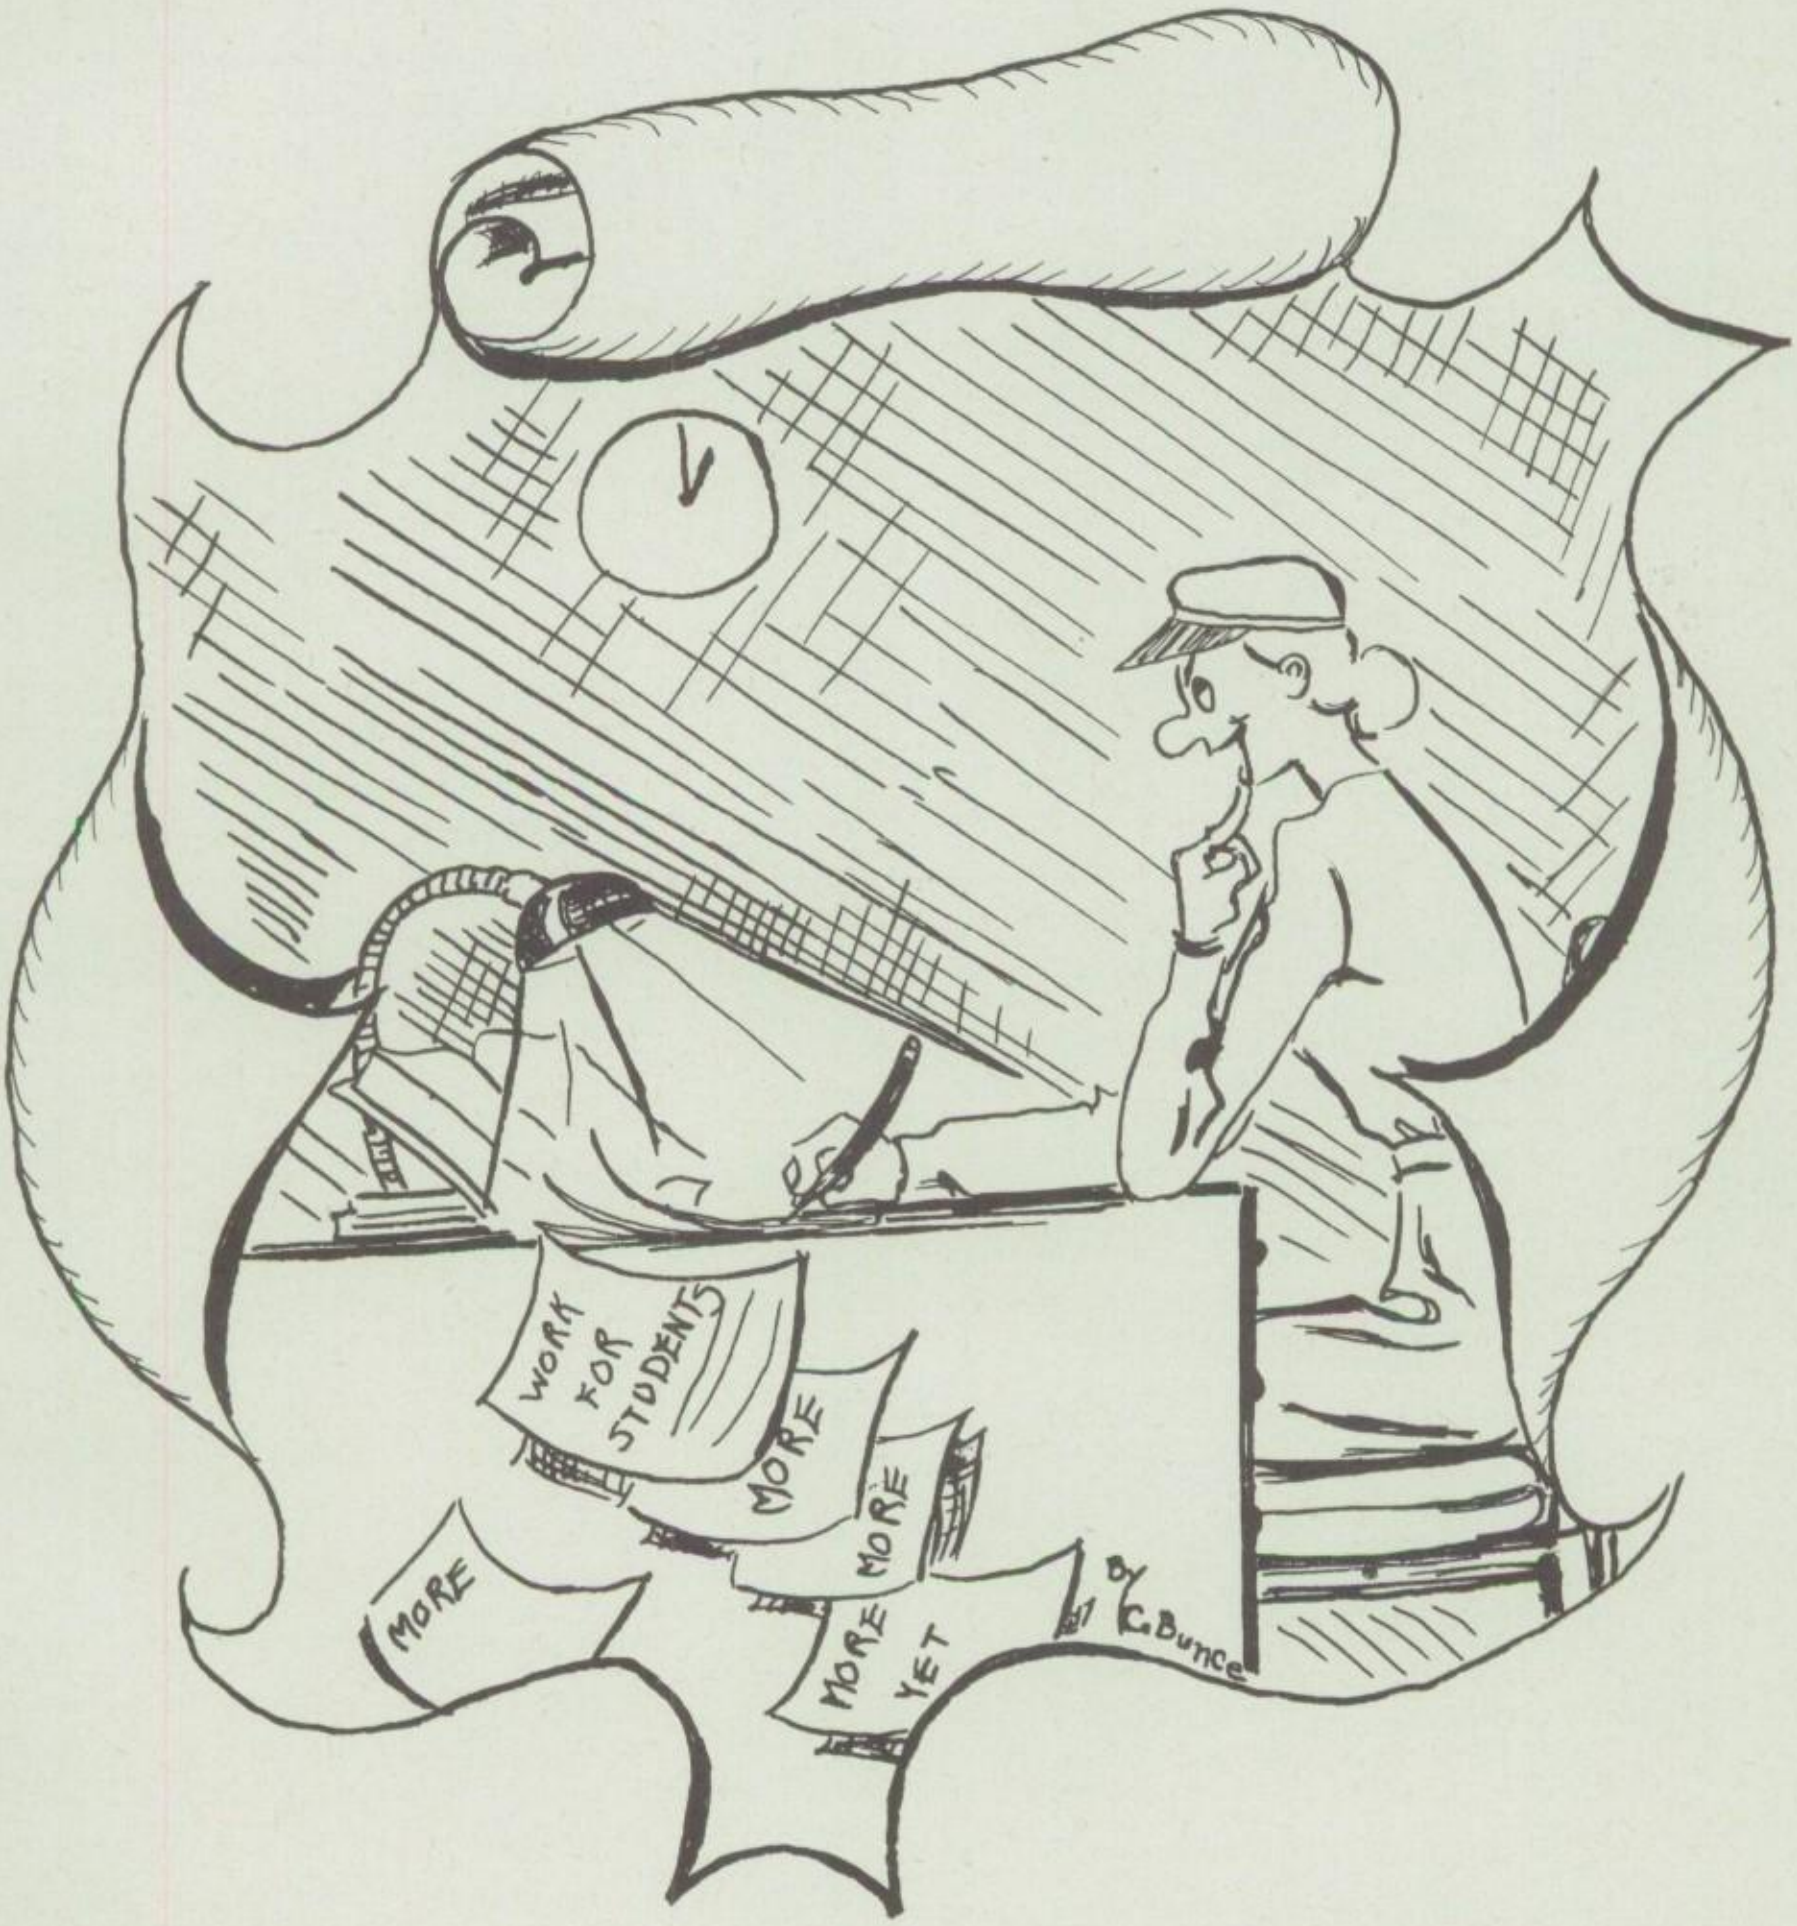
Art Editor Carolyn Bunce

Foreword

IT IS with a feeling of justifiable pride and pleasure that the staff presents the 46th Annual Quiver to the alumni, faculty, and students of Pontiac High School. It is our sincere wish that the 1945 Quiver will be worthy of its predecessors and that it will serve effectively as a pictorial connecting link between past and present school days.

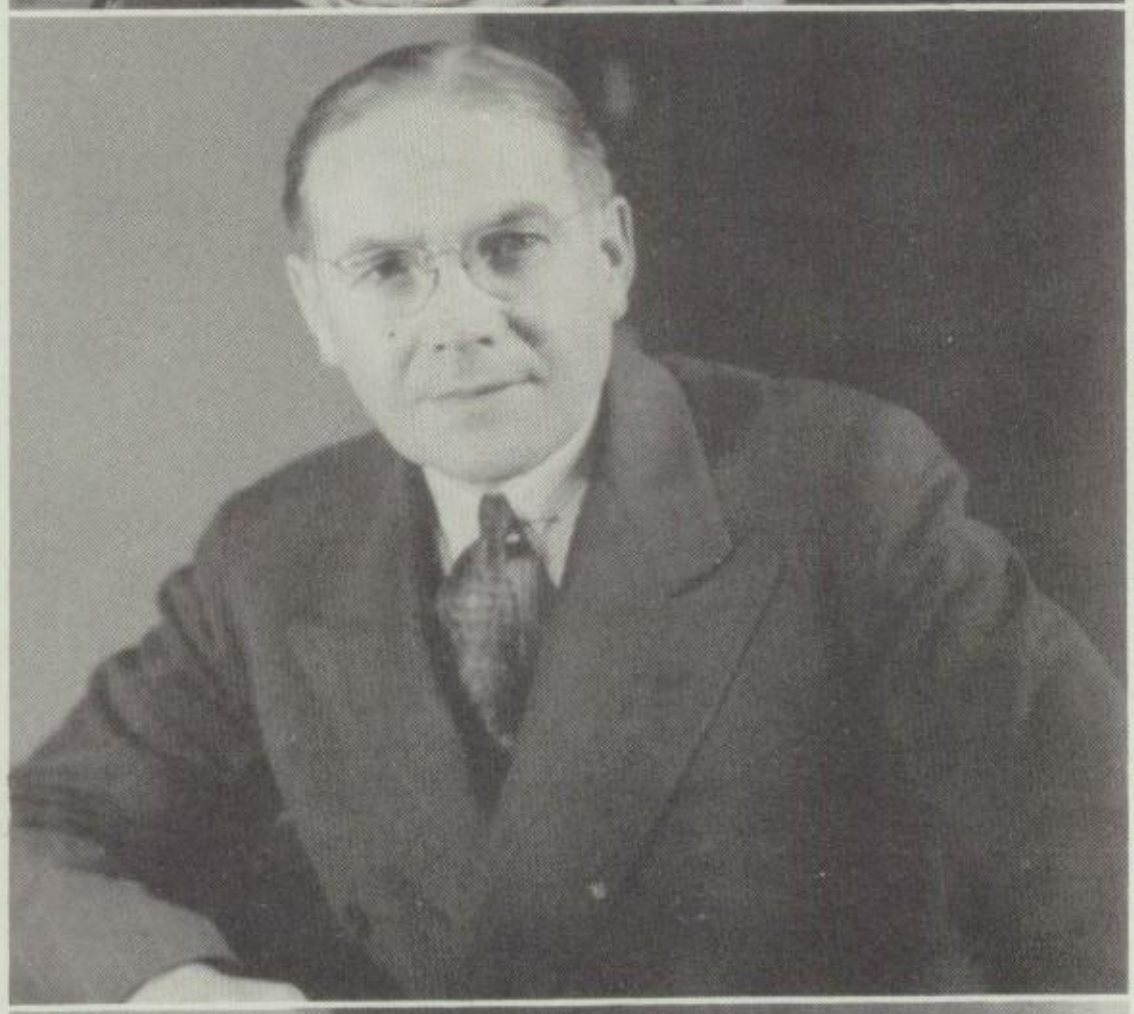
Appreciation is extended to Mr. Thors, Miss Lighterness, Mr. Kidd, and Miss Hook for their kind assistance given to the staff for the production of this book.

administration



MR. ROBERT B. FRENCH

Mr. Robert B. French, Superintendent of Schools, has general supervision of our educational system. His ambition is to maintain cooperation among the schools and to promote good will. He has the welfare of the students at heart and endeavors to establish a smooth-running educational system in the city of Pontiac.



On John Thors, Jr., our Principal, rests the responsibility of managing the many departments in our school. This in itself is no small task; however, in addition to his administrative duties, Mr. Thors finds time to advise and encourage many students. The smoothness and the efficiency of the operation of our school is due to his conscientious direction.

MISS OLA B. HILLER

In the supervision of Pontiac Senior High School, assisting Mr. Thors, is Miss Ola B. Hiller. She is also faculty advisor of the Student Council. Many students have also had the opportunity of working with her in the Radio Workshop. The students are grateful for her help and patience in assisting them in planning their curriculums and arranging their schedules. Her pleasing personality makes her a friend to all.

MR. FRANK J. DUFRAIN

Financial problems of the Pontiac school system come under the direction of our capable assistant superintendent, Frank J. DuFrain. Mr. DuFrain, who is also treasurer of the Board of Education, is in charge of the Board of Education office located on Patterson Street. His efficiency in all undertakings makes him an outstanding administrator.

MR. GEORGE L. CLARK

Mr. George L. Clark is Director of Curriculum in the Secondary Schools. He has greatly relieved the labor shortage in Pontiac by his widely known and highly esteemed Student Placement Office. Many students have Mr. Clark to thank for his help in their securing positions.

MR. E. C. RUSSELL

Mr. E. C. Russell, who can be seen in the Industrial Arts Building, holds the title of Director of Vocatiaonal and Adult Education. Under the Adult Educational Program he has charge of the evening school. The Pontiac school system has been well rewarded by his efficient services.

Pontiac Playcrafters Club

The Pontiac Playcrafters Club, the dramatic society of the Senior High School, celebrates its twentieth anniversary this school year. Supposedly the oldest organization of its kind in the United States, it boasts an active alumni membership of more than five hundred.

The Parents' Reception consisting of a dramatic program has been a customary semi-annual event since the club's inception.

Although Playcrafters have been one of the most active groups in the high school, membership is awarded only to those who have participated in school plays, who have been members of the stage crew, or who are enrolled in one of the dramatic classes.

The Playcrafters are affiliated with the National Thespian Dramatic Honor Society for High Schools.

The officers for the first semester were:

President—Shelby Baylis . . . Vice President—Darwin Spaysky . . . Secretary—Bertha Jean Fought . . . Treasurer—William Papanichola . . . Corresponding Secretary—Elinor Horwitz.

W. N. Viola, chairman of the speech department, has been the sponsor throughout the club's existence.

The Quiver Staff

A very industrious organization is the Quiver staff. During the whole school year its members are seen running through the halls, in and out of the Quiver office, and generally annoying the monitors, all on "Quiver business". During each hour there are students in the Quiver office pasting pictures, arranging copy, typing identifications, drawing cartoons, and harrassing other staff members.

Although the division editors have the more presumptuous positions the Quiver could not be published without the division staff members. Each member of the staff did his best to produce a book that would portray school life here at Pontiac High.

Tomahawk

One of the busiest organizations in Pontiac High is the Tomahawk staff of which Robert White is editor, Edwin Brown, Associate Editor, and Dorothy Silk, Business Manager.

The reporters are a very important part of the Tomahawk staff. Each reporter has a "beat" and must interview two or three teachers and then turn in three newstips a week.

The most outstanding issue this year was the Wisner Memorial Stadium issue. This edition was sent to 700 boys in service. Another important issue was the six page edition in favor of the bond drive.

Miss Florence Day is the advisor of this organization.

Pontiac High School Choir

The membership of the Choir varies from forty to seventy students. The director is Arnold Bourziel. The Choir is one of the most accomplished groups of the vocal department, and to vouch for this group is two hundred dollars, which was their contribution to the Scholarship Fund.

Some of the numerous appearances it has made have been Rotary Club, Christmas Concert, Victory Concert, and the Baccalaureate Service.

The Choir sings in many parts, first soprano, second soprano, first alto, second alto, tenor, baritone, and bass. The music that these different parts produce is truly beautiful. The students acquire a taste for the best of music and at the same time spend happy hours singing the songs that they love. Pontiac High School is proud of this group for its fine contributions to the school.

Girls' Ensemble

This ensemble is made up of girls selected from the Girls' Glee Club and the Choir for their fine part voices. This group makes many appearances at Ladies' Clubs, P.T.A., Churches, Church Organizations, and other groups of this type.

The girls' uniforms are a dark blue skirt, a white blouse, white anklets, and brown loafers, so if you happen to notice a group of very pretty girls dressed in this manner, you can be quite sure that you are gazing upon the Ensemble. Its manager for this semester is Myra Rowley.

Radio Workshop

All students who are enrolled in, or who have completed the Speech V or VI courses are eligible for membership in the Radio Workshop. This group broadcasts weekly programs from the studio adjacent to classroom 226 over a direct line to Radio Station WCAR. Student actors as well as student announcers, sound-effects men, and engineers do the work. Some scripts are also written by students.

This year the Radio Workshop has presented a series of programs entitled "Your Pontiac Schools," for the junior high and high school grades. For the lower elementary grades fairy tales are sometimes dramatized. Also music as presented by the band and vocal departments in order to increase music appreciation.

Girl Reserves

This year, again, the Girl Reserves has been of the most active clubs of our school. Through various selling projects during the year, they have raised the sum of $100 for the annual Girl Reserves Scholarship. This scholarship is presented annually to a girl in the school who meets certain requirements.

One of the projects of the Girl Reserves, as members of the Needlework Guild, was to pack and send Christmas packages to servicemen in the States. Each girl contributed her share of work and supplies to successfully complete this project.

The officers for the first semester were: President, Margaret Varney; Vice-President, Roberta Weddle; Secretary, Kathleen Foote; Treasurer, Ruth Newman. The sponsor of the club is Miss Waterman.

Hi Y

"To create, maintain, and extend throughout the School and Community, high standards of Christian Character." This is the pledge of the boys of the Hi Y have lived up to for many years.

Each year they have raised $100 for their annual scholarship to be awarded to a deserving boy in the high school. This money is raised, in part, by selling candy and ice cream at all of the home football games.

This year the boys made a careful study of vocational aptitudes. They have had several different men speak before their organization on subjects related to the various vocations that young men of the future would be interested in. Each senior Hi Y member was given an aptitude test before graduation.

The officers for the past year were; President, Peter Seoane; Vice President, Joe Edwards; Secretary, Glenn Plante; Treasurer, Duane Coté. The sponsor of the Hi Y is Mr. Henry.

Band

For many years the P. H. S. Band has ranked as the best Class A band in the state of Michigan. Since 1930 our bands and orchestras have been placed in the First Division at every state contest and festival, and won first division in the Nationals in 1940.

To top this very successful record of instrumental music and make it

a noteworthy one in the history of our school, the band has done a great deal to promote our football games, pep meetings, and other social functions.

The organization of our band is one of the most outstanding in the state. The music library ranks high in this section of the country, and the filing system and disciplinary set-up are unsurpassed.

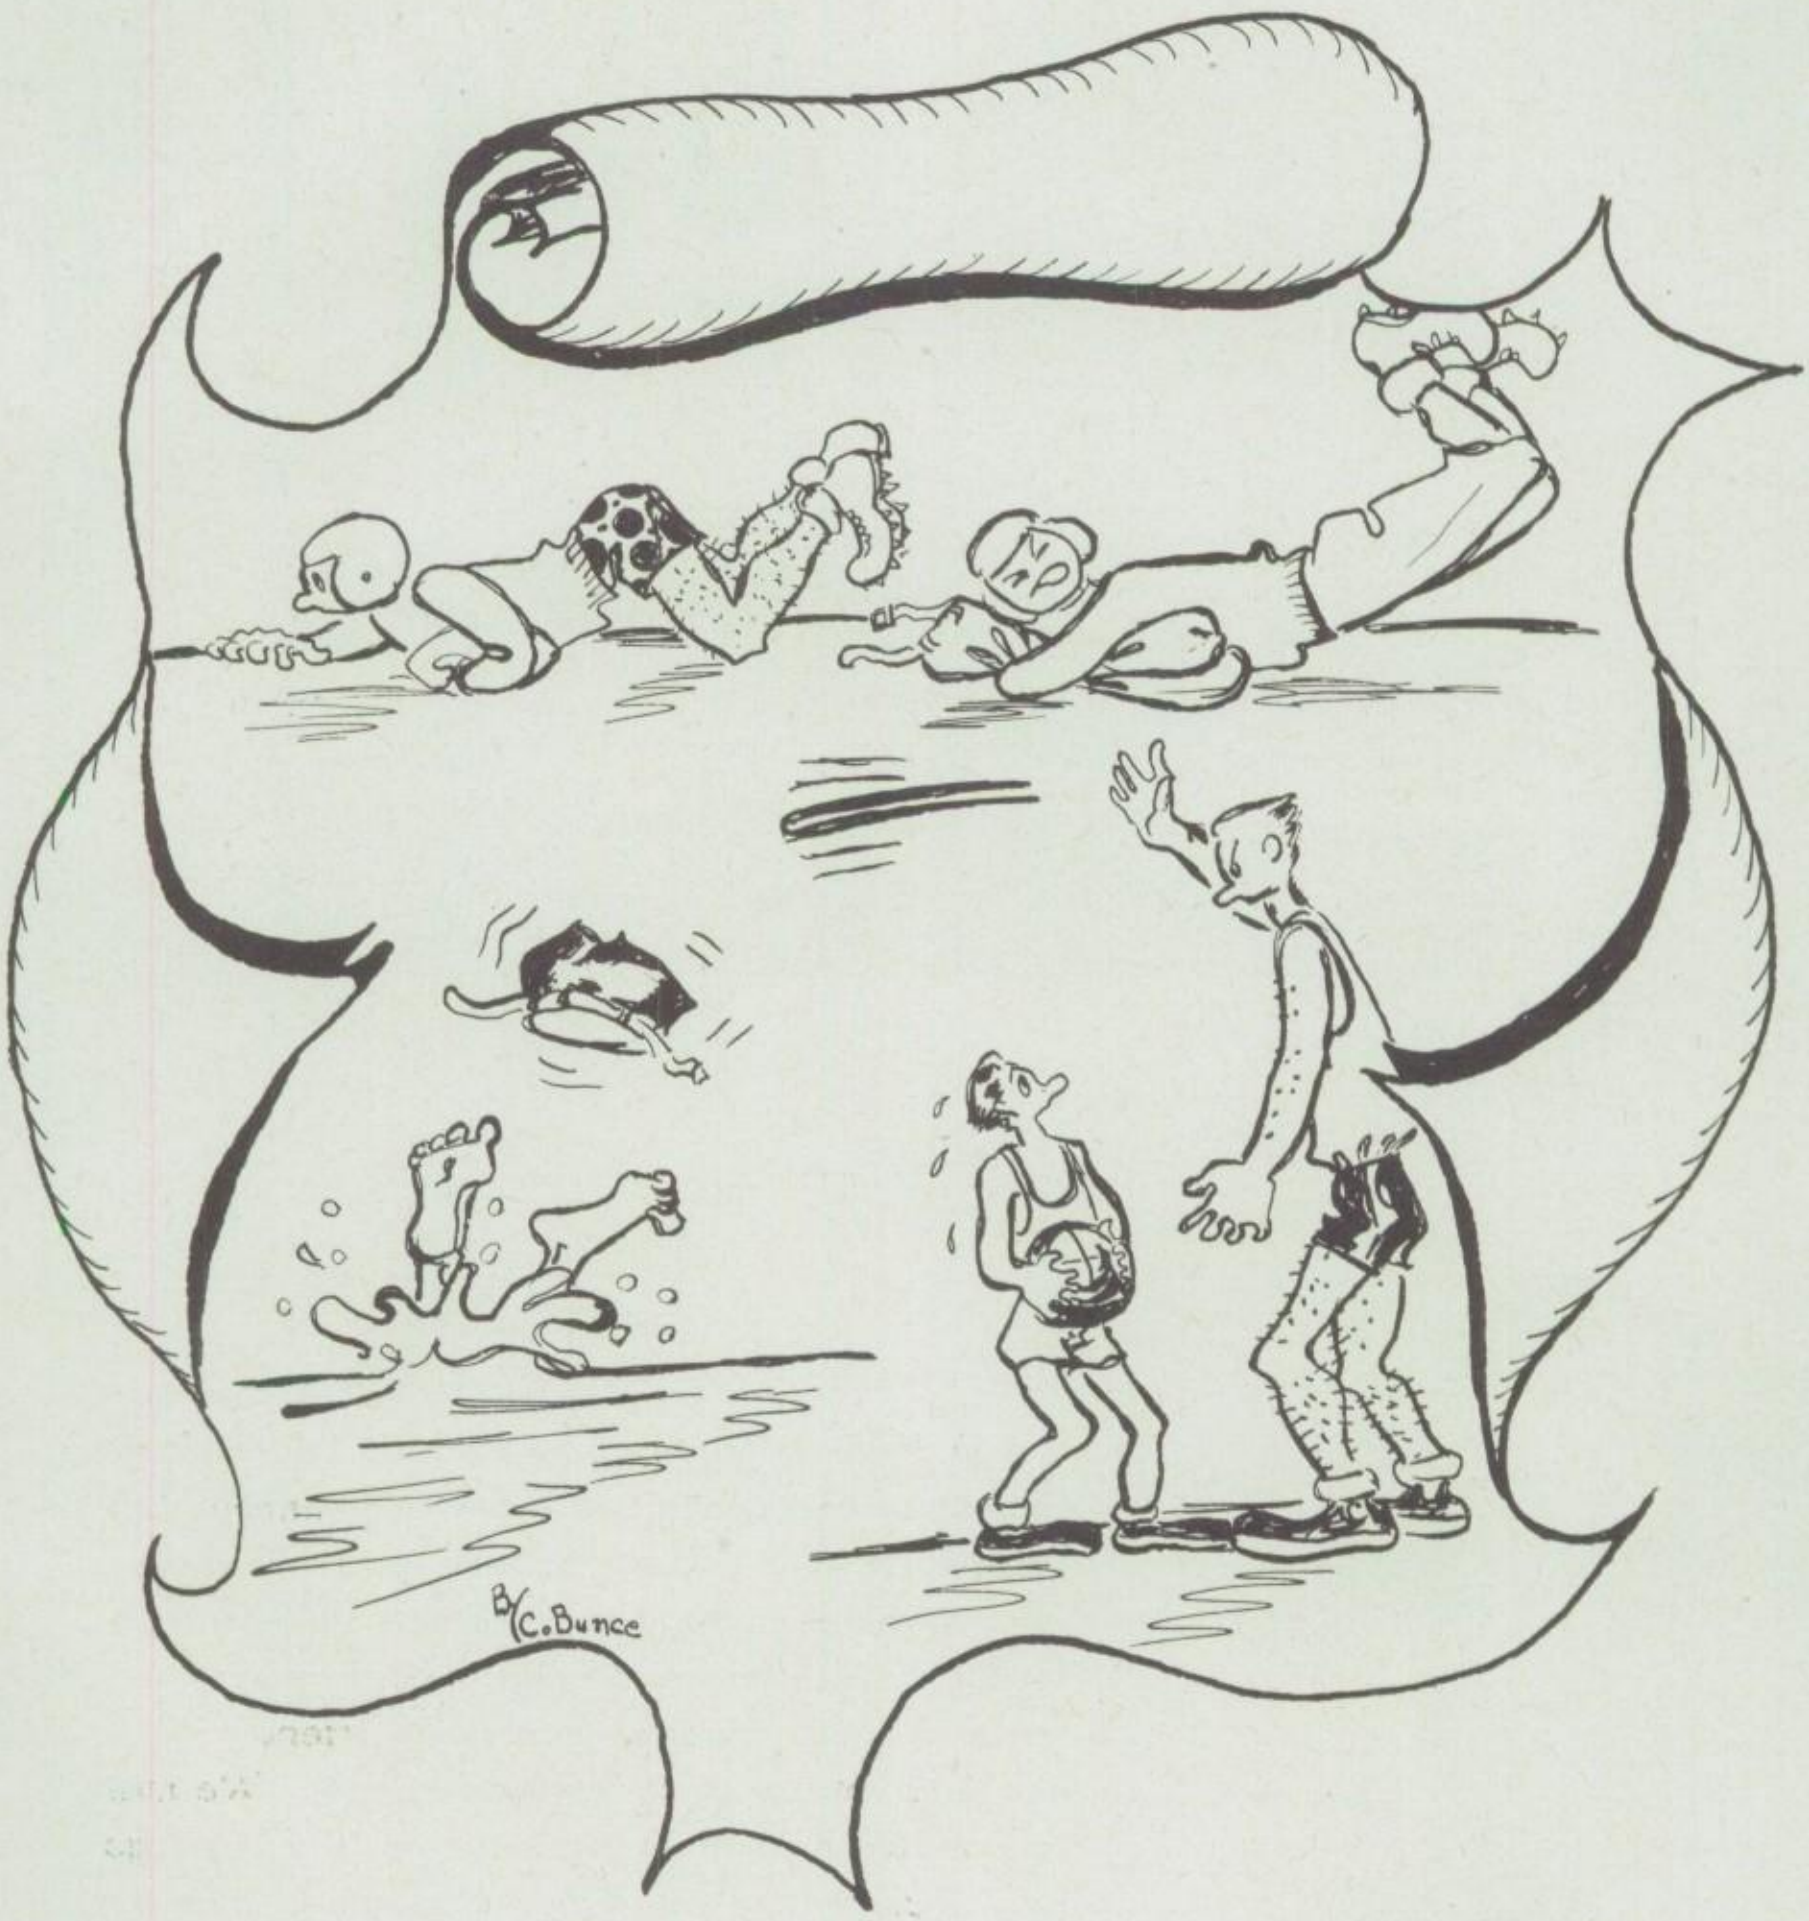
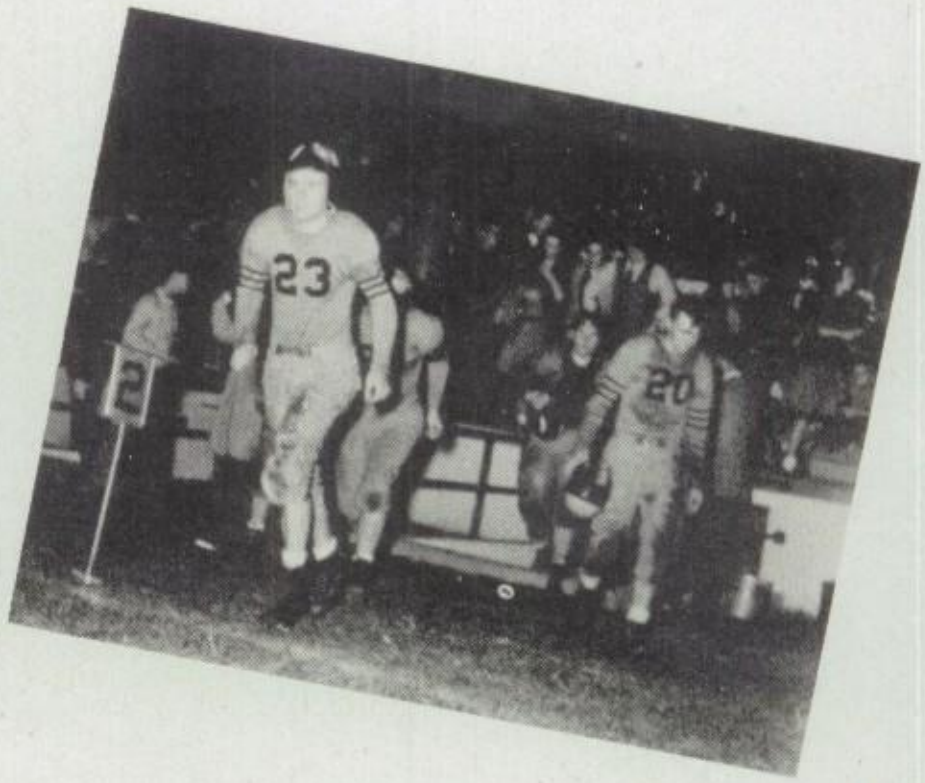
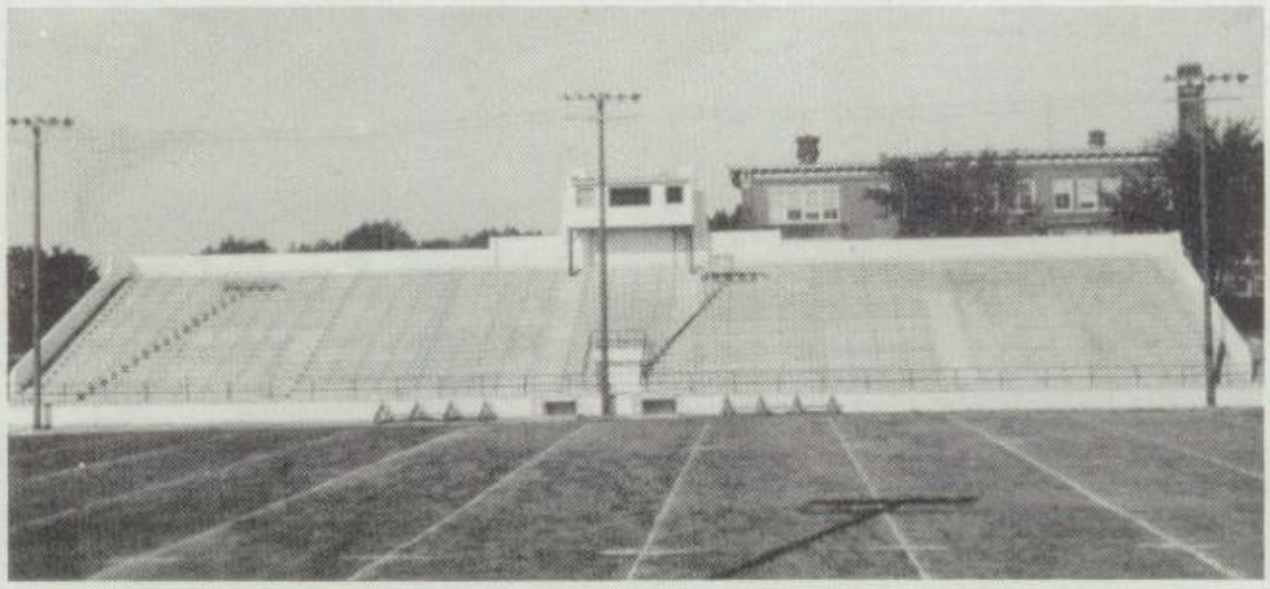
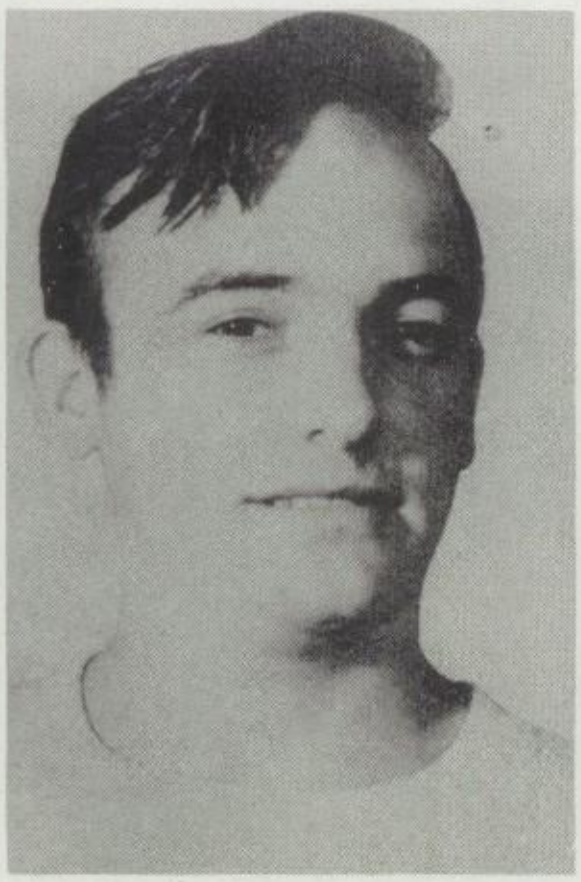
boys' sports









You have gone from this world, Eddie, to a Heaven of everlasting peace and contentment, but your warm smile and enthusiastic spirit will always remain deep in the hearts of the students and faculty. We remember and admire your keen sense of sportsmanship, your quiet, friendly manner, and your pride in work well done. We miss you and shall continue to miss you as the years go by. Thus, it is to you, Edwin Soderberg, that we dedicate the Boys' Sports section of the 1945 QUIVER.

The girls' gym classes, under the capable instruction of Miss Waterman and Mrs. Kelly, are divided into three sections: games, dancing, and corrective work.

The games are played according to the seasons. In the fall, instruction is given in volley ball; in the winter, basketball; in the spring, soft ball, badminton, ping-pong, shuffleboard, high jumping, and stunt rope-jumping are taught. These are team and squad activities with a two-fold purpose. They teach the fundamentals of the various games as well as teamwork and co-operation.

One day each week is devoted to dancing with piano accompaniment. The 10-A girls learn English Country dances; the 11-B girls learn tap-dancing; the 11-A girls learn the American Country dances (Square dances); the 12-B and 12-A girls learn the National dances of such countries as Russia, Spain, Ireland, and Sweden.

Once every quarter a posture test is given. The girls that need attention are given special exercises which promote better posture. These classes are known as the corrective classes.
